May 10, 1999

Dockets Management Branch (HFA-305)
Docket # 98N-1038
Food and Drug Administration
5630 Fishers Lane, Room 1061
Rockville, MD 20852

To whom it may concern,

As a concerned citizen, I would ask that the labeling requirements for irradiated food remain intact and explicit and that no expiration of the requirements be considered.

I would also ask that the FDA not allow evasive new terms like "cold pasteurization" or "electronic pasteurization" be placed on labels in lieu of describing the process as irradiation, which, in fact, it is.

Sincerely,

Lee Lefton

98N-1038
